NEWSLETTERS ARE ON WEB SITE TOO - take a look !

Dear parents/carers,

Our theme this ½ term is '**around our world**' – we will be looking at world maps, role playing packing & travelling to go on holiday. If you have any artefacts or activities relating to these countries (Iceland/China/Egypt/ America/The Netherlands/Italy) –do send them in (see the weekly planning on hallway notice board for details).

Angie has now retired from Playschool – although she may pop back into help on occasions. She has worked at Playschool for over 12 years. She is an amazing Early Years practitioner and we shall all miss her very much.

Playschool fees are £9.00 a session/ £3.50 for lunch time session. **Fees MUST be paid in advance or your child's place is at risk** (– if there are issues see Jude ASAP).

YOUR CHILD NEEDS extra named **warm socks, a vest, hat and gloves** *in order to enjoy forest school –being cold can really spoil their experience.*

They also need warm waterproof outdoor coats daily at playschool. Thankyou.

Please SEE attached TERMLY REMINDER SHEET for all info to make you and your child's Playschool experience a positive one.

Tracey K has updated the **Playschool healthy lunch box flyer** – available on our notice board in hallway- please have a look for useful healthy ideas.

THE CHILDREN'S FOOD TRUST is also a useful source of info on healthy eating – check it out - www.childrenfoodtrust.org.uk/eatbetterstartbetter OR call **0800 089 5001**

Playschool & The Children Centre are hoping to put on a coffee morning for all parents soon –with a crèche – a chance for you to meet other parents and have a chat - watch this space for details.
